Property Info

- Need of renovation
- Property in operation
- Waterfront
- Sea/lake/river view

Classical style 3*** hotel on the first line to the sea in Basanija area between Umag and Kempinski 5**** hotel! There is a pier in front of the hotel and spacious green area.

Hotel was built in 1908 as a luxury Austro-Hungarian villa, afterwards it was fully renovated in 1998 and started functioning as a hotel. It is currently functioning.

This exceptional tourist property of 5 levels has overall surface of 2100 m2 which is divided between 23 comfortable apartments and penthouse (each accommodating 3-7 people to accommodate 108 people in total). There is also a restaurant for 80 places, bar and two large terraces with wonderful sea view to enjoy the coffee.

hotel beachfront

Croatia, Umag

All suits have terraces overlooking the sea. Building is surrounded by centennial cepress-trees. It is a peaceful area which offers much privacy.

There is a pier in front of the building. Playground for children is also available.

Additional benefits of hotel:

- elevator
- central heating
- Internet access, WIFI
- SAT TV
- safes
- sundecks
- spacious parking
- installed kitchens in the apartments

Hotel has a rich history over booking engines. Average scrore on booking.com is 8.0

NOTE: Price went down over last 2 years from 6,5 mln euro to 4,9 mln euro due to urgency of sale. Official bank evaluation of hotel done in 2017 showed a value of 4 600 000 eur which definitely rose over last two years due to general rise in tourist activity in Croatia after COVID.

Great property for remodelling to be turned into boutique-hotel.
