Vienna boasts a top-notch hotel industry, offering excellent affordability compared to other cities. With a choice of 422 hotels and 34,250 rooms, visitors have a wide selection. Within a short stroll of the Austria Center Vienna, there are 923 rooms with a total of 1,843 beds. Whatever your preference, the diverse range of options ensures you'll find exactly what you're looking for.

Among all the hotels, those in the 1st district are in high demand and consistently well-occupied. Besides that, the very building of a hotel is of a great value.
